## Celebrity cruises ships new

The 2,886 guest of Celebrity Silhouette is the fourth ship in Celebrity Cruises equinox class, following her sister ships Celebrity Equinox, Celebrity Equinox and Celebrity Eclipse. Only Celebrity Reflection is the newest ship in class. The first ship of Fame's next class of ships, Celebrity Edge, launched at the end of 2018. While those who have sailed on any of the sister ships will find Celebrity Silhouette familiar, the ship has two new restaurants and several new locations that like travel passengers. These photos from the interior of Celebrity Silhouette help show the similarities and differences between this ship and its (slightly) older or younger sisters. 01 20 Linda Garrison Celebrity Silhouette AquaSpa is in this lovely waiting area with a full menu spa treatment for guests on the cruise ship. Proceed to 2 for 20 below. 02 Linda Garrison the Persian garden is a great area of AquaSpa where guests can relax before or after spa treatment. Heated stone salons take soreness out of tired muscles and aches and pains. Proceed to 3 for 20 below. 03 20 Linda Garrison Like most modern cruise ships, Celebrity Silhouettes is a modern gym with all the latest exercise equipment. Fitness staff also teaches a variety of classes and gives lectures/presentations on fitness/wellness topics. Since the fitness center has many windows, they get their use of the treadmill with great views of the sea. Proceed to 4 for 20 below. 04 20 Linda Garrison Solarium Indoor Pool is an adult-only Celebrity Silhouette cruise ship. The staff is very friendly and helpful. Proceed to 5 for 20 below. 05 Linda Garrison Solarium pool and comfortable seating area is a popular place for adults to relax or swim. Proceed to 6 for 20 below. 06 20 Linda Garrison Will surely walk slowly in modern corridors and sections of celebrity silhouette. It is interesting to see and explore the art and interior design a little more closely. Proceed to 7 for 20 below. 7/20 Linda Garrison Through the driveway through the Ensemble Lounge connects the stern dining room on deck 5 of the remaining Entertainment Deck locations. Sails: Galapagos Islands Look: Darwin's Theory of Evolution was born in Galápagos, and ever since he documented his trip, this island chain has a bucket list of nature lovers everywhere. The first Celebrity expedition ships, the 100-passenger Xpedition sails to the Ecuadorian archipelago all year round, providing plenty of time to look only-in-the-Galapagos wildlife like blue-legged, sea iguanas and giant turtles. You can also use 24-hour room service and once on each cruise, there's a barbecue on deck that gives you the opportunity to eat under the stars. For lunch, travelers can go to Darwin or watch outdoor Beagle Grill hamburgers, hot dogs and sometimes seafood grilled live Deck. When guests gather in the discovery lounge after dinner, they get most of the drinks in bed early so they can rest well for the next day's activities. Between excursions, travelers can go to the sun terrace to soak up the hot tub on the top deck or massage at the spa. Spa.
